Comments from Coach Trevino: "St. Albert has a nice team and they could make noise this year in 1A. Defensively, we did a really good job shutting down their offense as they have 3 guys who have each scored at least 3 goals in only 4 games this season. They have a very talented freshman forward, who excels with the ball at his feet, who had 7 goals in 4 games. We did a great job of staying marked up on their 3 scorers, but on the other hand we lost sight of their other players giving them great scoring chances. Offensively, it was a struggle as both teams played good defense and both teams did a good job controlling possession. Neither team had many good chances to score. We did not capitalize on our 1st 2 good scoring chances, but we hit on our 3rd. We had 2 opportunities with a 1 on 1 vs. their keeper, but shot it right to his hands both times. Yahir came up big in having saves on all 3 of their 1 on 1 chances vs. him. We were without 2 starters due to injuries and some younger guys really responded well with their first extensive varsity playing time. This was a big win, as St. Albert was 4-0 coming into the match and was leading the Hawkeye 10 Conference".
