Comments from Coach Trevino: "Heelan has a very young team that is going to be tough to beat the next couple years as they play a lot of freshmen and sophomores. We did a great job controlling possession but for some reason we refused to take the 25 to 30 yard shots when we had them while their defense was packed inside the box. Heelan has a new coach who plays a different defensive system than their previous coach played. So, we practiced for the previous formation but we need to be able to adjust to whatever system our opponent plays against us. In the 1st half, we only took 4 shots despite controlling possession for 80% or so of the half. In the 2nd half, we got the corner kick as the result of Juan Chino taking a shot from 25 yards out that got deflected out of bounds. Edin's corner kick was just high enough that their defenders couldn't clear it out with a header. Our short passing game was very good. Our defense and goalkeeping was very good and that led to the shutout. We need to get more offense out of our forwards and midfielders. Other teams are making sure they know where Edin is at all times - look at our stats and everybody knows he's the main guy on our team to stop. We need other guys to step up and put some points on the scoreboard".
