

The Monarchs walked away with a dominant win tonight, finding the net seven times. Carlos Zamago led the charge with three goals, Kevin Sanchez added two, while Santi Bernal and Angel Garcia each contributed one.

Coming off a 7-day break, it was a slow start, but the Monarchs found their groove and began to connect. Proud of this group and the adjustments they are making when things do not go their way.

The Monarchs will host Harlan on Monday in a Hawkeye 10 matchup.
