Comments by Coach Trevino: "It was a great senior night for the seniors. We had 8 seniors with either a goal or an assist. We got through the game healthy which is key at this time of the season. We had a great opportunity to play everybody a lot of minutes in this game. In the 1st half, we passed the ball very well but we couldn't finish our possessions with goals. In the 2nd half, we continued to pass the ball very well and we were able to finish those possessions with goals 7 times. 12 of our 19 shots in the 2nd half were on goal, which is a good percentage".
