Comments by Coach Trevino: "We played our best game of the year so far tonight. We completely dominated possession by marking up and not chasing the ball. We were also very smart in committing only 8 fouls and limiting them to 3 corner kicks. Our guys did a good job of limiting Harlan's free kicks as that's the area they had an advantage on us. Our defense and midfield were very solid and we had Harlan frustrated as they weren't able to control much offense at all. Harlan played solid defense against us all night packing anywhere from 7-10 players back on defense. Our guys did a good job of taking the open shots from 20 yards out or further, but we need to remember to crash the shots - especially in wet conditions. Their keeper had 16 saves, but probably only caught about 6 of them clean. We let a few opportunities for an easy put back shot slip away by standing and watching the shot in the air instead of making a run for a follow up shot. We will now get ready to play Creston, who is playing some very good soccer right now. We need to continue with playing defense without fouling, as Creston scored 3 goals against us in the regular season all on free kicks or corner kicks".
