

The Monarchs defeated the Kuemper Knights 8-0 in dominant fashion Tuesday evening. Carlos Zamago led the group with five goals, while Angel Garcia added two goals and Nikko Miller contributed one.

The Monarchs controlled possession throughout the match and finished with 25 total shots as the offense continued to apply pressure from start to finish. Defensively, the Monarchs remained organized and disciplined to secure the shutout victory.

The Monarchs now prepare for a competitive Carroll tournament this weekend as they look to continue their strong run of form.
