Comments and Highlights on next page

Comments: Heelan beat us badly last year 0-9, so it felt good to be competitive with them this season. We have many senior athletes with one year of tennis experience under their belts now and it is starting to show. Their groundstrokes are looking smoother. It should be a much improved season this year. This one went down to the last doubles match which is always exciting for both teams. We were tied 3-3 after singles. In the doubles matches we quickly won the #3 match 10-1, then lost the #1 match 2-10. It came down to Javin Baker and Jayden Bradley in the #2 position. It was a back and forth match and both teams had championship points that they did not convert. In the end after tying 10-10, they barely lost 5-7 in the tiebreaker. They played well.

Highlights: Roman Bygness came off the court first in a dominating 10-1 win. It was his first varsity match and his aggressive, athletic play was too much for his opponent.

Javin Baker also cruised to a relatively easy 10-3 singles win. He has improved so much since last season.

Jayden Bradley battled in his singles match for a 9-11 win that could have gone either way. It was a big win for the team.

Roman Bygness and Cesar Cardona, Jr. cruised in their doubles match. They played well with each other.
