Comments and Highlights on next page

Comments: Sioux City East manhandled us last year, but with an improved team this year, we hoped for a better result. Singles play was disappointing with our only win coming from Roman Bygness in the #5 spot. Thankfully we played better doubles, winning in the #1 position and just losing in the #3 position. The match showed that we need improvement in our volleying skills, but that is something that can be fixed.

Highlights: Owen reclaimed his overhead skill as he started unloading on the shot in doubles in an impressive win at the #1 spot with Javin Baker.

Roman Bygness remained undefeated in singles with his 8-5 win. In his doubles match with Cesar Cardona, Jr., he dominated at the net with his overheads.

The JV played well in their 10-5 win.
