Comments: We played short-handed today without three of our varsity players. Everybody had to step up and we were fortunate to squeak out a win against Creston. After splitting singles, we managed to pick up two of the doubles matches for the 5-4 win. This was the first half of a double dual today. After this match, we faced Boone.

Highlights: Harrison Dahm picked up his first win playing in the number one position. He won convincingly 10-1.

Carson Seuntjens managed to stay just ahead of his opponent throughout the match picking up a pivotal 10-8 win.

Wyatt Johnson got out to a comfortable lead and managed to hold on for a 10-8 win

Harrison Dahm and Carson Seuntjens rolled in the first doubles action together winning 10-0.

Braden Curnyn woke his game up to take control in his doubles match. He found both his serve and forehand in the 10-2 decision that won the match for us.

Comments: Facing Boone at full-handed would have been difficult. They are a very talented, athletic team. Facing them without our #1, 3 and 5 players just had the makings of a beating. Colin Reis was ill today, while Adolfo Vargas and Isaac Leinen were running at a track meet in Carroll.

Highlights: Harrison Dahm played great tennis in his singles match giving a past state singles qualifier a run for his money. Harrison narrowly lost both sets 5-7, 4-6. Harry showed that he's got the stuff to hang with the best in the state.

Carson Seuntjens has been improving throughout the season and today he improved throughout the day, playing good doubles with Harrison.
