**Comments and Highlights on next page**

**Comments:** St. Albert has a young talented squad this year that is particularly strong up top. We had some matches that could have turned our way and I look forward to measuring our growth through the season by seeing how we compete against this same team at the conference tournament.

**Highlights:** Blaine Brodsky played well in a back and forth singles match against a strong Cole Pekny at #2. He ended up falling just short in an 8-10 loss.

Danny Saldana won both his singles and doubles matches. He has improved quite a bit from last season.

**Singles Winners:** Danny Saldana

**Doubles Winners:** Adonay Arellano/Danny Saldana
