Comments and Highlights on next page

Comments: This was a disappointing outcome for the varsity. We are usually a deeper team that performs better in the lower part and in the doubles portion of the line-up. One positive is our play in the top spots and the results of the JV who have done quite well this season.

Highlights: Owen Galvin dominated in the top position with his 10-1.

Playing in the #2 position is never easy, particularly for a sophomore, but Grant Fink has had a solid season and won again in his 10-5 result.

Varsity Singles Winners: Owen Galvin, Grant Fink
