**Varsity Season Record: 10-2**

**Comments and Highlights on next page**

**Comments:** Lewis Central has a very young squad that is going to be a powerhouse in 2 years. Today, we were too much for them. The 9-0 win is our seventh shutout of the season which ties a school record. Now our path gets tougher in the postseason starting with Districts on Wednesday. Kuemper is a tough team and we need to perform well against them.

**Highlights:** Today was the best I've ever seen Colin Reis in singles. His groundstrokes were laser precise and he served with serious velocity. He was literally up 5-0 after only ten minutes of play.

Harrison Dahm was back to old form setting himself up at the net with penetrating groundstrokes.

Adolfo Vargas battled a talented sophomore whose groundstrokes were fantastic. Adolfo was only up 5-4 before going on a streak that won him the match 10-5.

Carson Seuntjens set up points well, outmaneuvering his opponent 10-0.

Isaac Leinen's serve caught on fire in the middle of his match leading him to a 9-2 lead, before finishing at 10-4.

Braden Curnyn had some big groundstroke rallies with another of Lewis Central's talented sophomores. Braden's consistency and refusal to relent led him to take the match 10-2 against a very good opponent.

Isaac Leinen's hot streak extended into his doubles match with Wyatt Johnson. They won comfortably 10-0 in what should have been a much closer match.

Harrison Dahm/Colin Reis (10-0), Carson Seuntjens/Adolfo Vargas (6-0), and Wyatt Johnson/Isaac Leinen (10-0) completed an undefeated regular season in doubles. That is a feat that I am sure that I will never again see as a coach.
