Comments: Kuemper is probably the best team in our conference, so we knew we were in a difficult situation today. When we played them last week, we dishearteningly only won four games total. It was good to see some of the matches today be more competitive. Owen Galvin who was injured last week picked up a win at #5. Blaine Brodsky in the #1 position was able to make it a match in the 2nd set only losing 4-6. Grant Fink, playing in the #6 position in his varsity debut, was competitive in his 3-6, 2-6 loss. This ended what was a rough 1-10 season, but we have many young players that should make significant progress next year.
