**Highlights:**

This was a good finish for the team. Our goal after two losing seasons was to come away with a winning record this year. Placing 3rd in this tournament definitely exceeds that goal. We are a deeper and much improved team since last year.

Javin Baker and Owen Galvin are playing fantastic doubles but ran into Shenandoah's talented #1 doubles team in the finals. They played very well today.

Jayden Bradley and Roman Bygness are good doubles partners with each other. Their 4th place finish was a good one.

Grant Fink played well in his 5th place finish. He added some offense to his game in his last match and looked good doing it.
