Re: 1A Boys' Tennis District Tennis Tournament at Boone

Denison-Schleswig did not place any players in the 1A District Tennis Tournament held in Boone on Wednesday, May 14 and did not qualify any players for the Individual State Tournament.

Karson Schulz

1st Round defeated St. Edmond's #5 Andrew Horrell 6-2, 6-3
2nd Round lost to North Polk's #1 Easton Moon 0-6, 0-6

Karson was unfortunate to draw into one of the best players in the state in his 2nd Round match.

Grant Fink

1st Round defeated North Polk's #4 Landon Leonard 6-1, 6-2
2nd Round lost to Audubon's #1 Isaac Jackson 3-6, 0-6

Grant was playing the most consistent tennis in his career. Unfortunately he injured his knee in the 2nd match and could not overcome his opponent.

Javin Baker/Hunter Pieper

1st Round lost to Boone's #1 Tyler Lindahl/Devin Silbaugh 0-6, 2-6

Javin and Hunter randomly drew into the #1 doubles seed from Boone. Hunter was serving the best I've ever seen him play, but the Boone team was too much for us.

Adonay Arellano/Owen Galvin

1st Round lost to Nevada's #2 Brandon Moore/Jack Spence 3-6, 2-6

Adonay and Owen never got into a groove against a sure-handed Nevada team.

Comments

It was nice to come away with a couple of victories, but we hope to play better next year and return to the State Tournament next year.
