Comments and Highlights on next page

Comments: This was the last regular season match for the team and it was nice that Cherokee was able to match our numbers, so that everyone in the JV could play a match and all of them came out with either a singles or doubles win today. This was a young Cherokee team that is going to be trouble next season. I expected the match to be closer, but we played very good singles and were able to cruise to the 8-1 win.

Highlights: Santi Lopez won in his varsity debut 10-8. He is a competitor that strives to win.

Cesar Cardona, Jr. came back in his singles 4-7 to take the next 6 games and win 10-7. It was a great finish.

Owen Galvin continued to serve extremely well in both singles and doubles. It is one of his many weapons.

Grant Fink was hitting his down the line forehand well in his 10-2 singles win.

Roman Bygness moved up from his usual #5 spot to play in the #4 spot today, but continued to win in dominating fashion (10-1).
