**Comments:** The winner of this SubState dual qualified their team for the team State Competition. Our top 3 players were the first on the courts and rolled to easy wins. Our next 3 took the court and all won their first sets, but then got dicey after that. Wyatt Johnson up 6-5 in his second set was unable to close out the set on his serve and unfortunately lost the tie breaker 6-8 and ultimately lost the 3rd set as well.. Gavin Hipnar was down 5-6 in his 2nd set, fought back to force a tie breaker which he comfortably won 7-3. This win gave us our 4th singles win and once a team wins 5 the dual is automatically stopped. Braden Curnyn lost a close 2nd set 4-6, but rolled 6-3 in the 3rd set to win the dual for the team. This sent us to the first round of the Team State Tournament, which unfortunately was played against undefeated Spencer an hour later.

**Comments:** We knew coming into today how strong Spencer was. They haven't dropped a single match in all of their duals so far. Colin Reis and Carson Seuntjens won handily at #1 and #2 singles. Unfortunately, Spencer's consistent #3 player handed Harrison Dahm his first loss of the season. At #4, Braden Curnyn fought back to win his second set 7-5 after losing the first 1-6. It wasn't enough though and Spencer then took all of the remaining singles matches. Down 2-4 that meant we needed to sweep all 3 doubles matches. Colin and Harrison won comfortably 6-4, 6-0. Wyatt and Carson were up 5-2 in the first set, but lost the next 5 games to lose the first set 5-7. They righted the ship however and were 4-2 in the second before play was stopped when Spencer #3 doubles team beat ours 3-6, 2-6. It fell Spencer's way today and our team play has come to halt. Individual play still happens for Colin Reis, Harrison Dahm, Carson Seuntjens, and Wyatt Johnson as they compete in the 1A State Doubles Tournament in Waterloo on Tuesday and Wednesday, May 24 & 25..

**Highlights:**

Colin Reis wrapped up his hugely successful singles career at Denison. He was undefeated as a freshman. Lost only 2 matches his junior year, and lost only one match this senior year. He is by far the best tennis player I have had the opportunity to coach.

Carson Seuntjens showed his versatility today. In his first match, he stayed on the baseline and let his opponent tire himself to a loss. In the Spencer match, he came out blazing; either passing his opponent who vainly tried to set up an aggressive net game against him or by coming to the net on his own and rocketing the ball away from his opponent. He looked really good today.

Gavin Hipnar was able to close out a big win for the team in his first match. He fought back from being behind against a frustratingly consistent opponent.

Braden Curnyn saves his best tennis for SubState play. He fights back from being behind and came up big again today. He has the potential to really be a standout player in his junior and senior years.
