Comments and Highlights on next page

Comments: Kuemper is the strongest team in our conference and they handed it to us today in the most dominant win I have witnessed. One of the positives today was that our young players competed well and that if they continue to improve, we can turn things around.

Highlights: Grant Fink, a freshman, pulled out our only win today. It is his first year playing tennis and he will continue to get better every time he plays. He moved his opponent around the court well today.

Jayden Bradley, also a first year player, was back in our lineup after injury. He is a scrappy layer that gets to many balls. Together, with Grant in doubles, they narrowly lost in a 3-7 tiebreaker after going 6-6 with their opponent.
