Comments and Highlights on next page

Comments: With a good team, the end of the season ends abruptly in postseason play. LeMars had a deep team and the dual came down to the last doubles match. Down 0-3 in the 1st set, Wyatt Johnson and Isaac Leninen brought it back to a 3-3 tie, before letting the match slip away. This year's team accomplished many of its goals, a Hawkeye-10 conference title and a district championship. We'll have most of them back next year and perhaps we'll be able to add a top 4 finish at team state.

Highlights: Colin Reis had a big win against one of the top players in the state. He is having a terrific season.

Carson Seuntjens won his first set easy, but when his opponent stopped making mistakes and took the second set, Carson stepped up big to win the 3rd set 6-2.

Braden Curnyn looked out of it after losing the first set 0-6. The games in it though were close and he continued to fight. His 2nd and 3rd set wins of 6-3 each gave the team a chance for the win.

Harrison Dahm and Colin Reis remained undefeated in doubles at 13-0. They played nearly a flawless first set in their 6-0,6-3 win.
