Re: Hawkeye-10 Conference Boys' Tennis Tournament

Denison-Schleswig placed 1st in the H-10 Conference Boys' Tennis Tournament held in Denison on Monday and Tuesday, May 2 & 3. Braden Curnyn and Gavin Hipnar placed second in the #2 Doubles Tournament. Wyatt Johnson and Carson Seuntjens placed 1st in the #1 Doubles Tournament. Harrison Dahm placed 1st in the #2 Singles Tournament and Colin Reis placed 1st in the #1 Singles Tournament

There are many different aspects of doing well in a tournament of this nature and a lot of things went our way this year. We have a deep, talented team that played well at the right time.

Highlights:

Colin Reis' bracket was loaded with the best players in our conference. To come out with a championship speaks volumes of his talent and the effort that he has put into his game over many years.

Harrison Dahm looked so smooth. His groundstrokes make him a natural baseline player, but this year he has combined them with a solid net game where he has no trepidation about pounding his overhead.

Wyatt Johnson and Carson Seuntjens' championship win highlighted their talents well. Wyatt's serve was on point which makes the game of doubles so much easier. Carson Seuntjens plays such a smart game of placing the ball and staying in the point with his athleticism. It lulls people into forgetting about another of his tennis skills. He was blasting groundstrokes with force and was blowing through his opponents.

Braden Curnyn and Gavin Hipnar showed up well in Monday's tournament and showed off the depth of this team. Both have shown such improvement in their games and unfortunately ran into a streaking Shenandoah duo in the championship match.
