**Highlights:**

Everybody on the team contributed points to our team total and our 3rd place finish. This is a considerable improvement from last season and shows that we are moving in a positive direction.

Adonay Arellano and Owen Galvin played fantastic tennis losing only in a tiebreak to the eventual champions. They had previously lost to this same team 3-10 early in the season.

Grant Fink and Hunter Pieper played extremely well in only their 2nd match with each other. Their styles blend well with each other in doubles.

Karson Schulz gutted out 5 long matches. This varsity playing experience will greatly help our talented freshman in future seasons.

Jayden Bradley pulled out a much needed win securing the team's 3rd place finish.
