Comments and Highlights on next page

Comments: Shenandoah is a fantastic team. They placed 2nd in the Hawkeye-10 conference Tournament and will probably advance into postseason play. We fell down early in three of the first four matches and fortunately turned them back our way in two of them. Those wins helped us secure a 5-1 lead after singles to secure the dual win and complete an undefeated regular season.

Highlights: Colin Reis had to face another outstanding baseline player in sophomore Andrew Lawrence. His net game was the deciding factor in the 10-2 victory. His regular season record playing in the #1 singles position is an impressive 14-1.

Carson Seuntjens held on for a 10-6 win to secure a perfect 9-0 singles record for the year.

Harrison Dahm's 10-4 finish left him unbeaten in singles (16-0) and doubles (9-0) for the year. That is a stellar achievement.

Wyatt Johnson and Gavin Hipnar came up with big singles wins to secure the team win.

In doubles, Harrison Dahm and Colin Reis had to defend against the big serving Schuster twins, but were able to securely hold their serves en route to a tough 10-4 win and an unblemished 8-0 regular season record.

Wyatt Johnson and Carson Seuntjens continued to play dominant doubles in their decisive 10-0 win.
