Jesse Velasquez	26.65		4x100 Relay			Comments: It was a great first night on the track for the boys side. After losing a year and having a lot of questions marks coming into the season the boys compete well in both the running and field events. Adolfo Vargas turned in a solid night with a 2nd place finishes in the 4x800 and the open 800. Evan Turin jumped getting 2nd place also. The 4x1 team finished the night with a 3rd place finish. Overall the coaching staff is extremely pleased with the effort and committment to improvement that this group has shown during the first month of the season. We will be back on the track Tuesday in Denison.
