Jake Fink	24.94							
Evan Turin	24.1							
Total	1:38.51	7						

On another cold and windy night the team managed to still have 18 PR's and an 8th place finish on the eveing. We are getting to the mid point of the season and some of our legs are starting to feel the wear and tear that comes with dual meet weeks and cold weather. We will get a nice weekend break before returning to action on Monday on the home track for the Ace Nelson Relays.
