Seven total PR's and a third place finish is a bitter sweet report for the night. We had a lot of runners step up and compete and place in their races but unfortunately we missed a couple opportunities to place well in the relays with missed hand offs. The best news is that we have a great opportunity to correct the mistakes and compete again tonight in the last home meet of the season. With two nights of racing it will be a tough task but the coaching staff is confident that the team will respond well and take advantage of the good weather the home crowd to put a nice end to the week.
