<b>Personal Records Broken - 14</b>	

We had a great night in Carroll. We had 14 PR's and we got 3rd place overall. I could not be more proud of the guys especially with the weather being the way it has been and not being able to get meets in. The guys competed their tails off. A couple highlights would be the 4x8 team. We took 40!!! seconds off their PR this year and have the top overall time since 2006!! Also our 4x2 team broke their own top time. Every single Mile kid had a PR tonight. We went 1-2 in the 800. We ended up having four 1st, three 2nds, one 3rd, and four 4ths. Leo Flores ran 3 - 800s under 2:10 which is amazing. Ricky Ledesma dropped his mile time by 11 seconds! We will go again tomorrow night and give it our best shot.
