Comments from Head Coach Raegan Magnuson :		It has been a busy and exciting Homecoming week, and our runners were especially excited to finally have a race after all of the rain we have had. It had been a while since we were able to compete, so our kids were definitely eager to get back out there. IKM-Manning hosted a road race this year, which made for a fun and different experience for our runners. The high school girls put together a solid team race, finishing 3rd overall. Taelen Young led the way with an 8th place finish, followed by Isabelle Blume in 12th and Jocelin Garcia in 13th. Having three girls finish in the top 13 gave us a strong group at the front, and we had seven runners finish in the top 27. It was great to see the girls get back into a racing rhythm after having some time away from competition. Our high school boys had a really strong night, finishing 2nd as a team. We had five runners finish in the top 14, led by Kevin Sanchez in 6th and Angel Garcia in 9th. Quinn Vetter continues his strong season with a 12th place finish. He has been working hard and has consistently put himself in a great position during races, and it has been fun to see that hard work continue to pay off. Luke Ullrich and Raul Castillo finished right behind him in 13th and 14th to round out our top five. Our middle school boys had a great night, taking 1st as a team with 43 points. Seth Ullrich led the way with a 2nd place finish, followed by Isaac Thelen in 7th, and Kilmar Galitan in 9th. They did a great job of packing together and putting themselves in competitive positions. Our middle school girls finished 4th, led by Madison Blume with a 9th place finish. It has been exciting to see the confidence of our middle school runners grow as they get more comfortable with meets. Overall, it was just really good to be back at a meet. Our kids were ready to race, and it was fun to see that excitement throughout the team. We are excited to keep building as we head into the final part of our season with some big goals!
