Comments from Head Coach Raegan Magnuson : Our kids have done a great job adapting to all of the schedule changes this year and making the most of the opportunity to run a new course at OABCIG. The course was located at their golf course in Ida Grove and was completely flat. The weather was absolutely perfect for running, making it a great day to compete. Our high school girls finished 2nd with 81 points. Taelen Young, Isabelle Blume, and Monroe Bygness finished 16th, 19th, and 20th, separated by just seven seconds. Caroline Schrum and Brylee Eggeling followed in 31st and 33rd, with Addyson Sturtevant and Ayvah Nemitz right behind them in 35th and 36th. We will keep working on moving our runners up and finding ways to pick up those extra places. Our high school boys brought home the team title with 64 points. Angel Garcia led the way in 5th, followed by Kevin Sanchez in 9th, Luke Ullrich in 11th, and Quinn Vetter in 15th. Raul Castillo rounded out our top five in 24th, with Jorge Barajas finishing 33rd. Having four runners in the top 15 gave us a strong start, and our guys did a great job putting themselves in a position to score low team points. As we head into the Hawkeye Ten meet, we will look to keep that momentum going and have everyone competing for every place. Our middle school boys earned another team win with 37 points. They looked very strong today, getting out quick and holding that pace throughout the race. Seth Ullrich finished 3rd, Isaac Thelen 7th, and Kilmar Galitan 10th. Ezra Bygness finished 19th, and Raymond Fink rounded out our top five in 29th. Our middle school girls finished 4th with 102 points. Madison Blume led the way in 7th, followed by Rehder Koch in 16th and Genevieve Bonner in 31st. Ariana Carrizales Navar finished 55th, and Cameron Brown came in 65th. We will keep working on staying competitive throughout the entire race and continuing to build confidence as the season wraps up. We will spend the next couple of days preparing for the Hawkeye Ten meet. We have our team goals set, and we know it is going to take every single person to reach them. We have put in a lot of work since June, and our kids are ready for the opportunity to show what they can do.
