**Comments from Assistant Coach Nate Pardun:**

The Hawkeye X has always been a competitive conference for the running sports. We did not have much knowledge going into the meet of some of the southern conference schools but had run in several meets with the others throughout the year. The trend for us this season has been to show up, run hard, and compete regardless of what teams are at the meet. We certainly had a challenge in front of us with the conference meet tonight, but it was great preparation as we move into thinking about our district meet at Lemars next week. Times and runners only get faster from here on out. With a tough competition field our middle school and high school teams combined for a total of 7 medalists. Charlotte Schrum and Ali Ullrich were both medalists for our middle school girls' team with 7th and 11th place finishes, respectively. Kevin Sanchez was a Hawkeye X conference champion for the middle school boys followed by Victor Menendez in 3rd place and Miguel Hernandez in 9th place. Lola Mendlik ran another great race finishing in 4th place with one of her better times on the year. Leo Flores led our boys' team with a strong 13th place finish in a loaded boys' competitor field. With the regular season officially behind us, we will be shifting our mindset toward districts next week at Lemars with hopes of bringing home some state qualifiers as well.
