Comments from Head Coach Raegan Andersen:

All season, we reminded our athletes that every workout was preparing us for our end-of-season goal. Every long run, mile repeat, and hill sprint led us to our two most important meets: Hawkeye 10 and districts. As coaches, we couldn't be prouder of our athletes. They gave it their all out on the course tonight, leaving nothing behind. We wrapped up the meet with several new personal records for the season. The middle school teams started things off for us tonight. The boys placed 8th and the girls placed 2nd. Seth (8th), Jocelin (2nd), Taelen (9th), Caroline (14th), and Avyah (28th) all finished in the top 30. This group has made tremendous progress and bought into the process of getting better. They aren't afraid of hard work. We're excited for our 8th graders to join high school next year and for our 7th graders to return as leaders. The JV boys won the team title. Santi (3rd), Jaxx (6th), Israel (11th), Raul Salas(12th), and Omar (13th) all placed in the top 15. They raced with focus and continued to push the pace. This group knows what it takes to get to that next level. We're excited to see their growth in the off-season. The JV girls did not have a team score, but Hailey and Andrea led the way. Hailey dominated the race, winning by over 3 minutes. She's had a strong season, and we're excited to see her in the varsity lineup next year. Alexandria and Alexandra joined this year and have shown great commitment. They show up each and every day wanting to get better. The varsity boys and girls placed 8th and 7th respectively. Kevin (11th), Angel (20th), and Isabelle (17th) finished in the top 20, with Monroe finishing just one spot out of the top 20. The varsity boys did a nice job of letting the race come to them. They started off quick and continued to make moves throughout the 2nd and 3rd miles. Our varsity girls team did a nice job of racing with intention - they knew their goals. They listened to their times and made adjustments throughout the race. We would like to thank our middle school and JV runners for an amazing season. Seniors Brayden Adams and Edgar Ortiz also ran in their last race tonight and they leave big shoes to fill with their leadership and positive attitudes. We will go to Spencer on the 22nd for districts. This is where our athletes will lay it all on the line and show how far they're willing to go. They are ready and excited to take a shot at qualifying for state.
