Comments from Head Coach Raegan Magnuson :

It has been great to see how our athletes have continued to compete and push themselves throughout a season full of changes. Even with the cold, wind, and real-feel temperatures dipping below 30 degrees, many of our runners ran faster than they did at Atlantic on October 8th. That says a lot about this group and how hard they continue to work! Before the meet, we talked about our individual and team goals and how every place would matter all the way through our seventh runner. Our kids took that to heart and continued to fight for every spot, not just for themselves but for their teammates, too. We are proud of both our girls' and boys' team finishes in such a competitive conference! Our varsity girls finished fourth as a team with 93 points. Freshman Taelen Young had a great race, finishing in the top 10 in 21:38, with Isabelle Blume not far behind in 14th. Caroline Schrum finished 21st, just one spot away from a medal, and ran over two minutes faster than she did at Atlantic on October 8th. Our JV girls also finished their season on a high note, with Heydy Leanos winning the race, Ayvah Nemitz finishing second, and Alexandria Perez taking fifth. The varsity boys finished third as a team with 85 points. Kevin Sanchez led the way in seventh, followed by Angel Garcia in 10th, Luke Ullrich in 14th, and Quinn Vetter in 19th. All four of our top boys ran faster than they did at our last meet in Atlantic, and having four boys finish in the top 20 is something we haven't seen in many years! Our JV boys also had a strong finish, taking second as a team with 55 points. Santiago Bernal, Miguel Hernandez, and Erik Cabrera all finished in the top 11. With this being the final meet of the season for our JV runners, I am proud of the way both JV groups continued to work hard and compete for one another right through the end. I am proud of this entire group and the way they have handled everything this season. They continue to show up, work hard, and find ways to compete, even when things don't go as planned. I also want to recognize our senior boys, Luis and Miguel, and thank them for their dedication and commitment to our cross country program. We appreciate everything they have contributed to the team and wish them nothing but the best in their futures. Our varsity runners will take the next couple of days to shift their focus to Glenwood and prepare for districts. With a trip to the state meet on the line, we know what is at stake and will be ready to give it everything we have!
