Comments from Assistant Coach Nate Pardun:

A district XC meet is full of highs and lows each year. In some cases it is the final meet for a great group of seniors, which just so happened to be the case for our team this year. Ricky Ledesma, James Garcia, Jason Castillo, Esteban Castellanos, and Juliana Barajas have put a lot of time and effort toward the XC program here in Denison, and it was difficult to see them run their last race. Coach Bradley and I have talked several times throughout the year about how great of a group we are getting to coach this year and our senior class is a big part of that. We cannot thank them enough for all they have done for the team this season. A high note of district meets is that you get the opportunity to see kids qualify for the state meet in Fort Dodge. In this instance, Lola Mendlik qualified for her very first state XC meet as a freshman. She finished in 5th place with a time of 20:07 fighting through rain, wind, and cold temperatures. Lola has poured so much of her off-season into running, and it paid off in her very first year as a high school runner. We are looking forward to see what she can accomplish next Friday in Fort Dodge.
