| <p>Comments from Head Coach Raegan Andersen :</p> | <p>The cross country team had another great day at the SCC meet. The sunny weather made for perfect racing conditions, and with the course reversed from last year, our runners were ready for the challenge. This time, the hills came early, and the team used them to get in competitive positioning right from the start. The high school boys' varsity team placed 5th overall, led by Kevin (6th), Angel (10th), Raul (21st), Abdiel (34th), and Matthew (40th). Quinn, Jaxx, Abraham, and Santiago were close behind, giving us good depth. The JV boys didn't have a team score but ran solid races. As a whole, we'll keep working on strong finishes and finding that extra gear late in races. The high school girls' varsity team finished 4th, with Monroe (15th), Isabelle (16th), Charlotte (28th), Heydy (29th), and Anna (37th) scoring. We need to continue to work on closing the gaps between each other. Our 1-2 runners usually stick together, as do our 3-4 and 5-6-7 groups, but we need to tighten the gaps between those packs to bring down our team score. The JV girls didn't have a team score either, but they had a strong performance, all finishing in the top 10. Hailey, Addyson, Alexandra and Alexa did a great job of not settling in during their races, continually pushing the pace and making strong moves throughout. The middle school teams raced a longer course (around 2.5 miles) and got out fast to avoid getting boxed in at the start. The girls' team took 1st place, and the boys finished 5th, both showing great effort. Many athletes improved their times from last year, and overall it was an exciting meet from varsity down to middle school. The team has a quick turnaround with another race at Atlantic this week. The season is wrapping up quickly, and it's exciting to see our athletes' hard work paying off as they chase their individual and team goals.</p> |
