Comments from Head Coach Raegan Magnuson :		Greene County gave us a lot to be proud of tonight. All four teams competed hard, with our high school girls, high school boys, and middle school boys taking 1st place and our middle school girls finished 2nd. On the girls side, they continue to do a great job of packing up and racing together. Tonight, all 7 varsity girls finished in the top 20, which gave us a lot of low-scoring places. Taelen Young led the way in 3rd, Isabelle Blume in 6th, Hailey Cue in 8th, Brylee Eggeling in 10th, Monroe Bygness in 13th, Caroline Schrum in 16th, and Jocelin Garica in 17th. We truly have a group of girls competing with each other and fighting for those top 7 spots. That competition is making us better, and we're seeing different girls step up and lead the team from week to week. The boys were at full strength tonight, and we are really excited to see what this group can do as the season continues. Kevin Sanchez and Angel Garica led the boys with 3rd and 4th place finished respectively. Luke Ullrich, Raul Castillo, and Quinn Vetter rounded out our top 5, giving us a strong group at the front. Our middle school runners also did a great job tonight, especially for their first race of the season. I know there were some nerves going into it, but they leaned on our upperclassman for advice and then went out and had some really good races. Seth Ullrich won the boys race while Madison Blume led our girls with a 2nd place finish. When we compared times from tonight to this same meet last year, nearly every athlete ran faster. Now, we need to take what we did tonight and use it going into Ridge View's meet on Saturday. We'll be racing against 40 teams, and we're excited for the competition and the opportunity to see where we really stack up. It will be a great test for both of these groups!
