Comments from Head Coach Nick Bradley:

What a great day for the Monarch XC team. We ran and competed hard in every race today. Lola Mendlik paced the girls and won her first high school race. Emily Bahnsen finished strong in 10th place. As a team, they worked together and set the pace early. I am very proud of their hardwork thus far. Leo Flores paced the boys today and won his first high school race. Ricky Ledesma, Ethan Perrien, and Yohannes Birhane were all able to medal today as well. As a team, the boys won the meet. They started fast and kept that pace throughout the race. I am extremely pleased with all of the work the boys are putting in. They are starting to see the results of their dedication. Today was the first time that our middle school was able to compete. Compete they did. Ali Ullrich paced the girls with a first place. Charlotte Schrum came in 5th. The girls were nervous but handled themselves well. As for the boys, Ivan Ledesma led the boys with a first place finish. He was followed by Kevin Sanchez and Miguel Hernandez. I was very pleased with the pace that the middle school runners set today. They came out fast and were able to hold that pace throughout the race. It was nice to see both the boys and girls middle school runners race today. They finally got to see what it is like to run a 2-mile race. All runners will compete again Tuesday at the Storm Lake Invite.
