128	Eryck Godinez	26:31:00		

Comments from Head Coach Raegan Magnuson :

Storm Lake is always a tough meet. Their course is very flat and fast, so the race starts at a quick pace right from the gun and never really lets up. The high school girls finished 7th as a team tonight. Taelen Young continues to lead the way for us and she brought home a 29th place finish. This was a tough race for our girls - we have to continue learning how to stay in the race when things get uncomfortable and keep pushing even when we aren't having our best day. This group is tough and works hard, so I know they will rise to the challenge. The high school boys finished 6th as a team. Kevin Sanchez and Angel Garica led the boys with a 10th and 11th place finish. Angel had a huge PR tonight and it's great to see his confidence continue to build. Luke Ullrich also had a huge PR in 17:53 and is really starting to settle into his races. He is getting into a groove and running stronger each time. The middle school teams continue to gain valuable racing experience, with the boys finishing 5th and the girls finishing 7th. Seth Ullrich and Isaac Thelen led the boys with top 10 finishes. As a team, we need to continue pushing ourselves and learning to be comfortable being uncomfortable. It has been a busy stretch for our athletes, with three meets since last Thursday, and we also have some athletes battling a few minor injuries. This break comes at a good time for everyone to recover, reset, and recharge both physically and mentally. Our next meet is at Mapleton on September 24th, and we will use this time to get healthy and ready for the next race.
