<p><b>Comments from head coach Nick Bradley:</b></p>	<p>Another great race night for the Monarch XC teams. The girls continue to run well together. The varsity girls were paced by Lola Mendlik &amp; Alexa Tremblay. Both girls finished in the top 10. Charlotte Schrum, Jenna Meadows and Emily Bahnsen continue to pack up and bring in low scores to put us in position to be in the top 3 every meet. The JV girls had an amazing night. They were able to capture the JV title. All the girls ran well and pushed themselves. The boys were paced by Ethan Olsen. Ethan continues to be a strong leader for the boys. We still have some injuries that the boys team is working through, but when the boys compete, they give it their all. We are so proud of how these 2 teams are growing and working. MS had another great race. This was race number 2 for them. The girls pushed hard. Aubrey Young was just outside the top 10 finishers today. She is working hard to crack that top 10. The MS boys continue their dominance. 4 boys inside the top 10 and 4 more inside the top 20. These boys are packing up and pushing each other in meets. The boys need to continue to work hard in practice and they will continue to see this kind of success in meets. All XC runners will run again this Saturday at a tough Harlan meet. Our kids are ready for the challenge.</p>
