**Comments from Assistant Coach Nate Pardun:**

After over a week off since our last races, the team was ready to compete again. We always get the opportunity to see some different competition at this meet but still see fast kids. With the end of September already approaching we are starting to look toward some of our end of the season goals. Many kids are doing some of their best running right now and we are looking forward to seeing what they can accomplish in the weeks to come. For the high school squads we had four athletes medal. Lola Mendlik took 1st place in the girls' run with Claire Miller coming in 15th. Emily Bahnsen was just outside the top 15 finishing in 16th place. Both Leo Flores and Ricky Ledesma finished their races in the top 10. Leo came in 4th with Ricky close behind in 7th place. Our middle schoolers had a total of 6 medalists. Ali Ullrich came in 6th, and Charlotte Schrum was not far behind in 10th place. The middle school boys took 1st place in the team run, but also had 4 individual medalists. Ivan Ledesma was the leader coming in 1st place. Victor Menendez finished in 5th with Miguel Hernandez not far off in 7th place. Anselmo Hernandez completed a top 10 finish in 9th place as well. We will be competing in three meets over the span of a week, and it begins with our meet this Saturday in Harlan.
