Comments from Head Coach Nick Bradley:

The Harlan meet is extremely competitive. Our runners handled themselves very well throughout their races. The girls were paced by Lola Mendlik. She finished 2nd. All the girls competed hard. They continue to improve each and every week. The boys were paced by Ricky Ledesma. He finished 32nd. All of the boys continue to push themselves each day. We continue to have boys move in and out of the varsity lineup. This is the competition Coach Pardun and I are looking for from the boys. The MS boys had another great meet. 2 MS boys placed in the top 10-Ivan Ledesma and Kevin Sanchez. The MS girls were paced by Ali Ullrich. She finished 12th. I am very proud of how hard our middle school runners have been working. It is crazy to think that they have only been running for 1 month. We are nearing the end of our season. As a team, we continue to set our focus on the district meet. We are still waiting to hear what district we will end up in. This is an exciting week for Monarch XC. We host our annual home meet on Tuesday, September 28. The runners are extremely excited to have people come PACK THE COURSE!!! We will also run at IKM on Thursday.
