Comments from head coach Raegan Andersen :

Tonight was another strong showing for our Monarch XC runners! After more than a week off since our last meet, our athletes came in with fresh legs and plenty of eagerness to compete. Mapleton had a new course this year and our athletes did an excellent job of staying focused and walking it beforehand to prepare for their race. We had many PRs across the board tonight. The high school girls kicked things off with a 2nd place finish. They missed out on 1st place by just 9 points. The girls did an excellent job of getting out quick and locking into their pace. We'll continue working on making stronger moves in the second half of races—every point counts, and we can't afford to let spots slip away. Isabelle (12), Monroe (13), Charlotte (24), and Heydy (26) all placed in the top 30 for us. In the JV race, Hailey, Jenna, and Addyson swept the podium, finishing 1-2-3. On the boys' side, we had Jaxx, Raul, Omar, Jorge, Brayden, Edgar, and Ryder running varsity for us tonight. The boys stepped up for their team and ran with pride. Many of them don't have a ton of varsity experience, so this race was a great learning opportunity for them. Many of them came away with ideas for what to adjust with next time - they're always striving to get better. Meanwhile, the JV boys placed 1st with a perfect score. Many of them raced with extra fire wanting one of those 7 varsity spots for the next meet. Our boys' lineup remains highly competitive, with athletes continually pushing each other for those top spots. We've got a quick turnaround ahead with two meets next week. On Saturday (9/26), we head to Harlan for a stacked meet—it's a great chance to test ourselves against some tough competition. Then, on Tuesday (9/30), we'll host our home meet at Majestic Hills Golf Course. Our team has been training hard, and we're excited to show our community what we can do!
