Comments from Head Coach Raegan Andersen :			<p>Tonight was a truly beautiful evening for our home meet. A huge thank you to Majestic Hills Golf Course for allowing us to host our meet there. The course was in excellent condition—we couldn't have asked for anything better. I would also like to thank all of the volunteers who helped the meet run so smoothly. Your time and support are appreciated, and we truly couldn't have done it without you. Coming into the meet, we knew that our course is a challenging one and that there were going to be hills. The runners did a great job of powering up the hills and used the downhills to continue to push the pace. The middle school teams set the tone high right out of the gate. Seth Ullrich continues to run strong and had another top 10 finish. Gavin Watts (24th) and Fernando Lupian (33rd) also ran hard and had strong finishes tonight. Taelen Young, Joeclin Garcia and Charlotte Schrum continue to be a dynamic trio - on any given night, any one of them can step up as the number one runner. Avyah Nemtiz (11th) and Genevieve Bonner (13th) worked well together, moving up in the pack and putting themselves in a much stronger scoring position. The high school girls and boys teams both placed 5th tonight. The girls continue to show tremendous effort, listening closely to coaching feedback and making smart adjustments throughout their races. Many of them ran a gritty final mile and truly gave it their all. The boys also ran a great race. They started really well - they got out fast, but didn't spend it all in the beginning. They let the hills come to them and used them to their advantage. We have competed in quite a few meets this past week. Our athletes will get some needed rest before they compete again at SCC on Tuesday, October 7th.</p>
