Comments from Head Coach Raegan Andersen :		<p>Tonight marked the start of the season, and it was a great learning experience for everyone involved. We had many new faces competing, including several freshmen who made their high school debut. Our seniors rose to the occasion tonight by leading by example and providing encouragement when it was needed most. The athletes' hard work in practice was evident tonight, as many set new personal records or improved on their times from last year. The girls opened the night with a second-place team finish, led by Monroe Bygness (6th), Isabelle Blume (7th), and Charlotte Schrum (18th). We also had a strong performance from Hailey Cue who is new to the team this year. The girls did an excellent job of staying packed up and making passes together. On the boys' side, the team claimed first place overall. Three boys finished in the top 20 with Kevin Sanchez placing 4th, Angel Garcia 11th, and Raul Castillo 18th. Just outside the top 20 were Quinn Vetter (23rd) and Abraham Ramos (24th). The boys got out fast and competed well. Overall, it was an exciting night of growth for our team, and we're eager to build on this momentum. With a quick turnaround, our next meet is Saturday (9/6) at Iowa Western, and our athletes are ready for the challenge!</p>
