On September 27, 2023, the Denison FFA chapter sent 7 members to the district soil judging contest. These members went out of their comfort zone to try this contest. These members got to miss a day of school to improve their knowledge about the soils in the area and test their knowledge in the soils contest. Denison FFA team 1 was Kysa Neddermeyer, Mylie Kaub, Dawson Stephens, and Josie Koenig. Denison FFA team 2 was Brayden Adams, Brenden Sieren, and Brock Schneider. Both of these teams worked together individually to receive the best possible score that they could as a team.

In Blue and Gold,
Kysa Neddermeyer
