Comments from the coaching staff:

The girls golfed well for their first meet of the season. It was nice to compete to see where we stand, what we're good at, and what we can improve on. We thought they had solid impact off the tee and with their iron shots. We need to improve with our wedges and putters to reduce some of those scores, and our girls are more than capable of doing that. The Monarchs return home on Tuesday against IKM-Manning and Boyer Valley before heading to Shenandoah for 18 holes on Thursday. We look forward to competing and getting to work in practice to keep improving.
