Comments from the Coaching Staff:												
<p>Our girls keep battling through the conditions during this cold spring as they shot a 218 in their third consecutive 9-hole meet. Kelsey Jorgensen has consistently been one of our top scorers on the season and she took away runner-up honors tonight. Lizzy Ayala continues to impress and keeps contributing to our scoring total. Harlan is a tough course with narrow fairways and small greens. Obviously, we want to improve on that 218 score, and we talk about how we can do that moving forward. Our goal is to always improve, and we get a chance to do that back in Harlan on Thursday for a dual.</p>
