**Comments from the Coaching Staff:**

Our girls have been pretty steady this season. Three nine-hole event scores have all been 218 and they shot a season best 217 tonight. Kelsey Jorgensen has emerged as one of our top performers as she earns runner-up honors for the second consecutive meet. She shot a season best 49 and lost medalist honors by way of tie-breaker. All of our girls have contributed at different points this season, but Lizzy Ayala has been a consistent scorer for us. It was good to see Bailey Roecker bounce back and get closer to her average tonight as well.

After two busy weeks of competition, we will be able to get a full week of practice before we golf in Kuemper's tournament next Saturday.
