**Comments from the Coaching Staff:**

It was a hot and windy day in Creston as the Monarch girls finished in the middle of the pack and placed 5th at the H-10 meet. Lizzy Ayala was the lone H-10 placer with a 109 and placing 11th. We had two other girls knocking on the door of the top 12 with Maggie Hennings and Tessa Peterson finishing in 16th and 19th, respectively, with both girls shooting a 113. There is room for improvement, especially on and around the green, and we will get back to practice to start that process. We have two more meets this week before hosting the district meet next Wednesday.
