**Comments from Head Coach Nick Bradley:**

The final score for this game does not show how well the Monarch girls played. Going into half the score was 2-3. The girls played a great first half. We controlled the ball well and had several shots on goal. Bailey Gibbons and Mary Clare Matthews were able to net their first goals of the season to keep the score close. Amy Estrada, our starting goal keeper, was injured during the first half. We had to make adjustments in several positions to fill her shoes. TJ capitalized on the changes we had to make. Again, this is a learning curve for the girls. We have to remember that one bad pass or bad play does not determine the rest of the game. Mistakes happen. We must deal with it and continue to play through the adversity. This is a whirlwind of a week when it comes to games. The girls play tomorrow night at Glenwood, Thursday night at Creston, and Friday night at Sioux City West. I was very pleased with how we moved in the first half. We just need to turn that into 80 solid minutes this week.
