

Lewis Central 10, Denison 0  
Denison drops to 1-2-1 this season and  
1-1 in the Hawkeye 10 Conference

Halftime score            LC 4, Denison 0

Comments by Coach Eller: "Lewis Central has another very strong, top 10 ranked team in the state. They are very good at possessing the ball and making accurate passes to create shots. They have speed at all positions and they have several girls who take very strong shots. They have at least 2 girls that have committed to play soccer in college at Omaha University and Bellevue University. That being said, we played great for the 1st 30 minutes against them. It was 1-0 and we were doing a great job of marking up and making them take contested shots. Belinda Pancho had many great saves in goal to keep the game close. They got their 2nd goal on a ball over the top of our back line and our heads dropped. They had 3 goals in the last 10 minutes of the 1st half and then got 6 more in the 2nd half - most of the goals came on shots that weren't marked up or we got beat and they had 1 on 1 from close range against Belinda. The 2nd half was very disappointing because the girls quit playing soccer and started chasing the ball like little kids and Lewis Central picked that apart like good teams do. Unfortunately, I can't call time out to talk to the whole team to try to fix it. We need to get tougher when adversity hits us, take pride in competing against top tier teams and keep striving to get better".
