Comments by Coach Eller: "I was very happy with how the girls played tonight against a tough Lewis Central team. LC is ranked #7 in the state this week and they have another team that does a great job of controlling possession combined with a lot of speed. The first goal we gave up, we had a chance to clear the ball, but we had a touch right to their leading scorer, who got the ball and dribbled through a couple of our defenders. We tried to do a slide tackle to get the ball away from their forward, but we were called for a foul in the box. LC converted the penalty kick. It stayed 1-0 until the last 7 minutes of the game. The last 2 goals are 100% on me. I didn't do a good enough job of substituting and our girls were fatigued, especially being without 2 of our starters. LC scored 2 of their 3 goals countering our possessions in their defensive third of the field, so their speed played a factor in those goals. When we had everybody back while LC possessed the ball, we did a great job of making LC take some tough, contested shots from outside the box. Our girls did a lot of running in the game and I need to do a better job of getting the girls a break and matching substitutions when they sub their players out. Today wasn't my best coaching effort".
